

FOR IMMEDIATE RELEASE

Steve Townsend joins SES as Controller

Houston, TX (February 13, 2006) – Seismic Equipment Solutions (SES) today announced that Steve Townsend has been appointed Controller. Steve Townsend joined SES in early 2006, bringing over 20 years of accounting experience with a primary focus on the oil/exploration and related industries. Previously, Mr. Townsend was employed by Cardinal Health Clinical Services and Consulting where he was the Manager of Fixed Assets and Inventory Accounting and Controls. In 1996, Townsend joined Andersen Consulting on the outsourcing of BP's Alaska Exploration Accounting Department from Anchorage to Houston. Mr. Townsend graduated from the University of Texas at Austin with an Accounting degree and is a Certified Public Accountant.

About Seismic Equipment Solutions

With headquarters in Houston, Texas, and representatives in Moscow, London, Calgary, Bogota, and Jakarta, SES is a global leader in seismic equipment rentals and support. SES provides exceptionally maintained lease equipment, field support, training, equipment repairs, and part sales.
